PS/PE FOAM SHEET EXTRUSION LINE

\ PS/PE FOAM SHEET EXTRUSION LINE

- # PS/PE FOAM SHEET EXTRUSION LINE
-
- The image shows a complete PS/PE foam sheet extrusion line. The machine is primarily white with blue accents. It starts with a large extruder on the right, followed by several sets of rollers and guides. The final product is a long, continuous sheet of foam. The Chichang logo is visible on the extruder and the control panel.
